Theme: The Power of Cheese. Participants should bring samples of specialized dishes that represent your restaurant. This is a wonderful way for folks to sample and get familiar with your cuisine. These might include appetizers, dinners, specialized salads, or desserts. We will provide tables, linens, plates, eating utensils and napkins for each participant. Restaurants may begin setting up at 4:00 PM and must be completely set up by 6:15 PM.

Serving begins at 6:30 PM sharp and ends at 9:30pm. We ask that you remain serving at your table for the entire event. Our guests have the expectation to sample all your cuisine - please don't disappoint them by leaving early.

Participating restaurant will receive 4 Vendor tickets for your staff during the event. Also, as a special offer, if you become a member of the GNCC, you'll receive an additional **2 Free Tickets** to the event. Lastly, we are offering the guests Door Prizes at the end of the evening. Please consider donating a gift certificate or something else to help further promote your business.

RSVP no later than August 25, 2017
