Parade Kickoff 10:00 AM

We would like to invite your school, organization, business, or group to participate in this traditional holiday event by marching in the parade. Musical groups, floats, animals and vehicles such as antique cars are welcome to participate. This event has been a tradition for over 55 years and has participants from all over the county.

The theme for this year's parade will be ***"Ole' Time Christmas".*** Please feel free to use your imagination to bring your floats/groups to life. If you are interested in building a float there are several supply and informational sites available on the internet. All floats will enter the staging area via Quantum Leap located off Newton Sparta Road.

Awards will be given for the floats and/or group that best depict the theme. Please be advised that floats and groups who wish to be judged must be in place by 8:30 AM as judging will promptly begin at 8:30 AM. Judging takes place before the parade so that the winners can be announced as they approach the Reviewing Stand.

All other marchers should arrive between 8:30 and 9:30 AM at Lower Spring Street staging area. Lower Spring Street will be open for you to drop marchers off only. You will not be allowed to park vehicles there. Be advised that the staging area will be blocked off to all vehicular traffic. Parking will be available at all municipal parking lots in the Town and down at Memory Park.

If you or your group wish to join in the festivities, please fill out the form and return by November 7th.
